**Re: *Rubenstein v. Cosmos Holodings, Inc. and Grigorios Siokas*, 19-cv-6976-KPF
Request For Leave To File Amended Brief In Opposition To Motion To Dismiss**

Your Honor:

Last night, March 5, 2020, Plaintiff's counsel filed his Brief In Opposition To Motion ... To Dismiss.

In the light of day and upon re-reading I find it to have been badly proof-read and I respectfully request leave to file an amended version of the brief, the changes limited to correcting typographical errors. An ERRATA list of the intended changes is appended.

No substantive changes are proposed.

Very truly yours,

David Lopez
